Introduction

Introduction

Placed in Northwestern Spain, Santiago de Compostela is the capital city of Galicia. The city has its origin in the shrine of Saint James the Great, now the Cathedral of Santiago de Compostela, as the destination of the Way of St. James, a leading Catholic pilgrimage route since the 9th century.

It has about 100 000 inhabitants spread over 220 km² and in 1985, the city's Old Town was designated a UNESCO World Heritage Site.
